

PDPA

When you visit and use our tools in Hoya Full Control website, Hoya Data Privacy Policy applies.

The controller for your personal data is Malaysian Hoya Lens Sdn. Bhd. (together hereafter referred to as (together hereafter referred to as "HOYA"))

For the purpose of this Policy, Personal Data, or name or description of equivalent nature, wherever so mentioned herein, shall mean your name, identity card, passport number, address, telephone number(s), e-mail address, financial information, birth date, occupation, or any such information of which related directly or indirectly to you (or your child(-ren)), who are identified or identifiable from that information or from that and other information so provided by you voluntarily, including any sensitive personal data and expression of opinion about you.

In continuance usage of HOYA, you shall be deemed have agreed to this Policy.

1. Use of personal data

We like to give you a description of the personal data we use, for what purposes and on which legal grounds.

Website visits and requests

- When you visit our website and you request information on our products, tools or services, through the site, we use your name, address, phone number, and e-mail address to communicate with you and to comply with your request if you provide us with this information;
- Such information will be stored in digital / magnetic storage own by us or utilise by us on lease or on license, and transferable between these storage facilities should need so arises.
- We may also contact you by telephone if you have indicated to be contacted this way;
- We also use the information on your browsing and interactions with us to improve our website, products, and services;
- If you submit comments or testimonials, those posts contain your first name, last name, country, and testimonial. We use this information solely with your consent for promotional purposes and to provide information to other users to inform them about experiences about the product or the company. You can always withdraw this consent sending an e-mail to support@hoya.com.my
- Our websites make use of cookies and similar techniques. Please refer to our cookie statement for further information.
- Your personal data may also be used for any other ancillary work in connection to the above purpose, including but not limited to our internal administrative purposes or for compliance with any obligations imposed by law or regulatory or governmental authorities.

2. Legal ground

The most important legal ground for processing your data is that this is necessary for the performance of a contract between you and HOYA, for instance, if you request certain information or register for an event. In some cases, the processing may be necessary to comply with a legal obligation, such as the obligation to keep accurate books and records for financial or tax purposes. In certain cases, the processing is based on your permission, for instance in the event when you use any of the HOYA Tools to access your eye health records or participate HOYA's promotional events. Finally, HOYA has a legitimate interest to improve the contents of the website, its products, and services according to an analysis of your browsing behaviour, purchases, and interactions with us.

3. Use of personal data by third parties

HOYA does not share your data with third parties, unless:

- You have given us your permission;
- There is a legal obligation to do so;
- It is required to have such personal data be transferred to and/or from storage facility providers, external advisors, professional advisors such as auditors, other government departments, statutory bodies, regulatory bodies and/or governmental authorities were required to do so.
- When we act on your request or carry out your order to Hoya Vision Care [parent company], or to third-party payment or shipment providers;
- In the event of a merger with or acquisition of HOYA or (part of) its assets by a third party;
- Parties act for HOYA as a processor on our behalf.

In the above circumstances, you hereby agree and consent that we may make such disclosure.

4. Rights

You have the right to inspect your data and to request to correct, restrict, block or remove them or where the processing of your personal data is based on your permission, you are at all times entitled to withdraw this permission, all subject to exceptions and restrictions as may be contained under applicable law.

To change cookie settings please use this link. A change of cookie settings will have no effect on the information collected before such change.

Furthermore, you may always object against the use of your data for direct marketing purposes. You may also object against any other processing for legitimate interest purposes in connection with your personal circumstances.

5. Contact

Requests to exercise the above rights may be submitted by sending an e-mail to our PDP Officer in the following manner.
